Special Programmes for Slow Performers and Advanced learners

Special Programmes for Slow learners

1. Individualized learning Programme:

Dedicated to the special needs of individual students, the individual education system seeks to improve the learning, help students resolve their learning challenges and grow their potential. Mentors concentrate on individual student progress.

2. Peer Assistance Programme:

The peer support program helps students strengthen their abilities; build their communication, teamwork skills and good interpersonal relationships. Teachers train advanced learner who perform better in a certain subject for helping other students with learning difficulties in group teaching and self-study sessions.

3. Remedial Teaching:

Remedial teaching is assigned to assist students in order to achieve expected competencies to improve the students' academic skills. As every student is different in terms of learning skills, academic, classroom learning, academic success and each have its own learning skills. The goal of the intensive remedial learning program is to offer guidance and assistance to students.

Special Programmes for Advanced learners:

- Open access facility for advanced learners in the library.
- Motivation for them to participate in quiz competitions, seminars and group discussions.
- Encouraged to take part in international, national and zonal conferences.
- Students are encouraged to do short research projects and apply for research grants.
- Seminar Presentations.
- Clinical skill development programme in each department
- Encouragement for them to participate in 'Avishkar' an innovative research activity of the affiliated university and Govt. of Maharashtra.
