<i>Glimpses from Previous Years</i>	9

Bioleagues Worldwide and Asia Pacific Association for Dental and Oral Health (APADENTO) takes the pleasure to announce "3rd International Conference on Dentistry & Oral Health"(3rd ICDOH 2021) during August 21st-22nd, 2021.

3rd ICDOH 2021 will deliver new ideas, convictions, strategies and tactics to excel in the field of dentistry and oral health. 3rd ICDOH 2021 will offer an impressive roster of keynote speakers, quality attendees, compelling content and concise reviews of the latest clinical advancements and guidance relating to the diagnosis and treatment of dental and oral health conditions, including the use of new techniques.

Dental Sector Growth

The global dental industry market is likely to grow at a **7.6% CAGR between 2018-2023**. There are number of reasons for the dental market boom. As every country progresses towards becoming a fully developed nation, the oral care infrastructure is improving rapidly.

This include rising geriatric population, the inclusion of 3D technology, increasing per capita income, better technological support, and rising cases of oral disease. Besides, demand for various dental procedures, rising prevalence of gum disease and oral cavity cancer & gum diseases, rise in technology, increasing awareness about oral health, consumers rising disposable income, changing lifestyles, and participation of health insurer reimbursements are also adding market growth.

About Asia Pacific Association for Dental and Oral Health (APADENTO)

Asia Pacific Association for Dental and Oral Health is one of the leading professional associations committed to improving dental & oral health by promoting advanced science-based evidence through our initiatives in education and research. Oral and general healths are related and are a key indicator of overall health, well-being, and quality of life. Dental caries, periodontal (gum) disease, tooth loss, oral cancer, oral manifestations of multiple illnesses, oral dental trauma and birth defects such as cleft lip and palate are among the diseases and conditions covered.

For more details:

about Instituto Prime Cursos

The Prime Institute of Personalized Education is a postgraduate center in the field of Health, founded by dentists Eduardo Oliva and Tiago Cunha, whose goal is to align technology with the quality of education, making learning dentistry and other areas of health more efficient.

Technological Innovation

We use an innovative system where the theoretical contents are followed by laboratory practices, enabling the student to learn and execute the procedures in his patients in a short time.

Qualified Teachers

Along with that, a highly qualified teaching staff with extensive experience in postgraduate courses is the perfect combination for you to focus on just learning.

Full Structure

Our differentiated structure was also designed for our patients, who can enjoy a comfortable reception, equipped with ambient sound, television and fully air-conditioned.

Residence and Immersion

In addition to specialization courses in various areas, the Prime Institute also has residency courses, where the focus is primarily on clinical and short-term immersion courses.

About VYWS Dental College & Hospital, Amravati

The Vidarbha Youth Welfare Society, Amravati was established in the year 1965 under the Chairmanship of Late Prof. Ram Meghe, (Ex-Education & Health Minister, Govt. of Maharashtra). The objectives of this society was to cater the educational needs of the region for better development of the backward Vidarbha region in specific and Maharashtra in general. Dental College, Amravati working hard to create higher intellectual capacities and abilities towards generation of globally relevant trained health manpower.

About MIDSR

The Mission of MIDSR Dental College, Latur is "HEALTH FOR ALL" as envisioned by the World Health Organization. This is sought to be achieved through state-of-the-art infrastructure and dental facilities, in an academically vibrant environment, through innovative practices in dental education and research, inculcating Social, Moral and Spiritual Values in the Dental Professionals. The Institution envisions creating dedicated healthcare professionals, who are globally competitive, morally responsible and fully committed towards the social obligations in general and for the poor and downtrodden rural masses of the Marathwada Region in particular, with a humane and holistic approach.
