Day 1: Oral Health & Tobacco related awareness rally

The oral health awareness rally was conducted on 23rd January 2017 from the heart of the city Town Hall to Shivaji Chowk. The rally left the town hall at 9:00am in the morning with around 100 students and 20 doctors & staff who had participated in it. The rally was carried out for the distance of approximately 3 kms. The oral health awareness slogans along with standees were used to through a light on role of oral health in overall health of person. The standees showing ill effects of tobacco and oral cancer were also displayed in the same.

Day 2: Oral Health Education & Screening Camp at Sambhajirao

Kendre Ashram School, Chincholirao Wadi, Latur.

The program was conducted on 24th January 2017 at Sambhajirao Kendre Ashram School, Chincholirao Wadi, Latur. The school was selected as it is a residential school and the guidance for the same pupil is an important step towards creating awareness. The health education was provided to the 152 school children in a group of 35 students each. The students' education and counselling was done about the topics such as Dental caries, Periodontal Health, Tooth Brushing Techniques, Ill Effects of Tobacco & Oral Cancer.

The Health Education was given with the help of the Standees. Following are the photographs for the same.

World Oral Health Day Celebration, 2022

World Oral Health Day is observed on **March 20** every year. The FDI World Dental Federation launch a year-long campaign dedicated to raising awareness and issues around oral health and the importance of oral hygiene. The day holds significance to reflect the importance of oral hygiene and care. A baby must have 20 teeth and senior citizens must have 20 teeth at the end of their life. A healthy adult should have 32 healthy teeth.

On this occasion A rally and Dental Diagnosis and Awareness camp was organized by the Department of Public Health Dentistry of Maharashtra Institute Of Dental Science and Research, Latur, Maharashtra, 09.00 am onwards at Bathangali village, Ta. Renapur, Dist Latur. The programs were conducted under the guidance of Principal Dr. Suresh Kamble & Vice Principal Dr. Suresh Kangane.

The rally was conducted using IEC Material and posters with the aim to create awareness of the benefits of a healthy mouth and to promote worldwide awareness of the issues around oral health and the importance of oral hygiene.

The theme for World Oral Health Day 2022 is **'Be Proud of Your Mouth for Your Happiness and Well-Being'**. With the motto of encouraging as many people as possible to look after their mouths and protect their quality of life. An unhealthy mouth not only impacts general health but also has a severe impact on people's emotional, social, mental, and overall physical well-being. It highlights were the associations between oral diseases and non communicable diseases (like diabetes, hypertension, respiratory disease and some cancers), raises awareness of common risk factors and promotes good oral hygiene habits.

The camp was conducted in the school, 263 children were checked for dental; cavities and other dental problems by students and staff who also spoke to the children about brushing their teeth twice a day, avoiding too much sweets and practicing other good habits for proper oral hygiene. A power point presentation was prepared for children's and school teachers for providing
