Invited Guests & Our college student

After dignitaries felicitation, in his introductory address, Dr. Om Baghele, highlighted on the important role of the Library staff and Library professionals in making the library an excellent abode of knowledge. His highlighted Dr. S. R. Ranganathan's Colon Classification (1933) introduced a system that is widely used in research libraries around the world and wished a happy Librarian's Day for all librarians.

The gathering was then addressed by the Chief Guest Prof. Yuvraj Andhorikar, Librarian, Central Library, Late. Prayagbai Patil Junior College, Latur who paid homage to the Dr. S. R. Ranganathan and highlighted some of the contributions of Dr. Ranganathan. His words and suggestions that a Library can reach out of their boundaries to one and all through their respective digital resources and can serve the society better than the past. Dr. S. R. Ranganathan's Five Laws of Library Science, he explained to the attending doctors how they apply to hospitals. Just as a library is a growing organism, a hospital is also a growing organism. Libraries and hospitals are ever-growing structures. So the classification used in the library is also useful in the hospital. Finally he said, thank you for inviting him.

After the Chief Guest addressing, the winner Staff & students were felicitated by dignitaries for the "Best Library User Awards 2022."
