Memorandum of Understanding

MOU between Maharashtra Institute of Dental Sciences & Research (Dental college) Latur and Balkunde Dental Implant & Oral surgery Center

The Dental clinic Observation Program provides a meaningful and well-directed observational experience for our students interested in observing procedures in clinic. The program provides an opportunity for the observer to:

- Observe a wide range of dental procedures in the clinical set up;
- Acquire fundamental knowledge and skills for general dental practice.

The program provides students the opportunity to develop and improve skills that will enhance their performance and understanding in the field dentistry. Participation in the Observation Program can range from 30 hrs to one week.

Purpose

This Memorandum of Agreement establishes the guidelines for collaboration between Maharashtra Institute of Dental Sciences & Research (Dental college), Latur and the Balkunde Dental Implant & Oral surgery Center for students externship observation programme.

Agreement:

Maharashtra Institute of Dental Sciences & Research (Dental college), Latur and the Balkunde Dental Implant & Oral surgery Center hereby agree to work together to:

- Jointly support the student's externship for dental clinic observation programme.

Meetings and Reporting

To accomplish these objectives, partners will meet at least twice a year for the purposes of program planning and monitoring and evaluating outcomes.

Duration:

This MOU is at-will and may be modified with the mutual consent of the authorized individuals of Maharashtra Institute of Dental Sciences & Research (Dental college), Latur and the Balkunde Dental Implant & Oral surgery Center Once signed by authorized officials of both groups, this MOU will begin from 2018 June and remain in effect until June 2019 .

MOU between Maharashtra Institute of Dental Sciences & Research (Dental College) Latur and Kendre Dental Clinic, Chakur.

The Dental clinic Observation Program provides a meaningful and well-directed observational experience for our students interested in observing procedures in clinic. The program provides an opportunity for the observer to:

- Observe a wide range of dental procedures in the clinical set up;
- Acquire fundamental knowledge and skills for general dental practice.

The program provides students the opportunity to develop and improve skills that will enhance their performance and understanding in the field dentistry. Participation in the Observation Program can range from 30 hrs to one week.

Purpose

This Memorandum of Agreement establishes the guidelines for collaboration between Maharashtra Institute of Dental Sciences & Research (Dental College). Latur and Kendre Dental Clinic, Chakur for students externship/observation programme.

Agreement:

Maharashtra Institute of Dental Sciences & Research (Dental College), Latur and Kendre Dental Clinic, Chakur hereby agree to work together to:

- Jointly support the student's externship for dental clinic observation programme.

Meetings and Reporting

To accomplish these objectives, partners will meet at least twice a year for the purposes of program planning and monitoring and evaluating outcomes.
