Course Details

Massive Open Online Course (MOOC) are such online courses which are developed as per following directions:

1. Course

- I. Credit Course shall mean a course which is taught for at least one semester as a part of a PG Programme in Indian Universities, shall be of two types: credit courses and non-credit courses.
- II. Non-Credit Course shall include courses like awareness programme, continuing education programme or of specific skill set as independent course, which are not part of any set curriculum.

2. National Coordinator (NC): National Coordinators are the Institutions that have been so designated by the Ministry and assigned a specific sector or preparation of online courses.

3. Course Coordinator (CC): Institution/Industry or a specialist in the field identified and entrusted with the task of developing online course. A Subject Matter Expert (SME) belonging to a reputed educational institution.

Host Institution -An educational institution who offers the MOOC on SWAYAM is called Host Institution.

Parent Institution On successful completion of each course, the host institution offering the Online Course would issue the certificate, along with the number of credits and grades, through which the student can get credits transferred into his/her grade.

A parent institution is where a prospective learner is enrolled in a particular program and may further opt for a particular MOOCs hosted on SWAYAM.

The process of MOOC development and delivery shall consist of the following four steps which are further explained below:

- I. Course-Coordinator Details
- II. Online Proposal for Development and Delivery of MOOCs
- III. Course Content/Deliverables
- IV. Declaration

Massive Open Online Courses (MOOCs) are such online courses which are developed as per following directions

1. Course Title
2. Subject
3. Medium of Instruction
4. Applicant Category
5. Types of Course
6. Nature of Course
7. Course Objective
8. Course Description and Outline
9. Brief about course content
10. Course Introductory Video
