DEPARTMENT OFPAEDIATRIC & PREVENTIVE DENTISTRY

Criteria to identify the slow and advanced learner's assessment methodology

The method of identifying slow and advanced learners is as follows

- ❖ During initial 3months, students are evaluated by their performance in theory and practical, their involvement in classroom.

- ❖ Followed by marks obtained in 1st internal assessment examination.

- ❖ After each internal assessment examination, the list of student who score less than 50% is made and the respective incharges as well as head of department discuss about the student who require extra attention.

- ❖ Student are asked to do home assignments on completion of a lecture class for a given chapter along with their viva voce and their performance is assessed.

- **Assessment methodology**

  1. **Formative Assessment –**

     Formative assessment evaluates students progress and primary focus of formative assessment is to identify areas which may require enhancement.

     - ❖ Observations during in-class activities

     - ❖ Home assignments

     - ❖ Question and answer sessions

  2. **Summative Assessment –**

     Summative evaluation will take place after the learning process has been completed and will provide information and input that describe the teaching and learning process.

     - ❖ Internal Assessment

     - ❖ Final Exams

  3. **Diagnostic Assessment -**

     It helps to check students current knowledge of the subject, their skills and capacities, and to explain misconceptions before teaching takes place.

Understanding the strengths and strengths and limitations of student will help to better prepare what to teach and how to teach.

- ❖ Self –assessment (identifying strengths and weakness)
- ❖ Answers from the Discussion

Measurable Criteria for slow performers –

- ❖ Fist Internal assessment mark < 35%
- ❖ Poor Performance in internal Examination, Viva Exams.
- ❖ Poor Practical Performance with Low Attendance.
- ❖ Based on work done and submission during practical classes.

Assessment Methodology for slow learners –

Performanc in formative and summative examinations in first internal assessment

Measurable Criteria for advance performers –

- ❖ First Internal assessment mark >75%
- ❖ University Subjects remarks.
- ❖ Excellent performance in internal marks in viva voce.
- ❖ Good lab skill and practical performance.
- ❖ Extramural activities performance.
- ❖ Seminar presentation for assessing the knowledge on the topics.

Assessment Methodology for slow learners –

- ❖ Performance in formative and summative examinations in first internal assessment and subject wise university result

DEPARTMENT OF PEDIATRIC & PREVENTIVE DENTISTRY

LIST OF SLOW AND ADVANCE LEARNER IV BDS STUDENTS

❖ **Summer 2016 Batch**

Sr. No	Name of the Student	
	Slow Learner	**Advance Learner**
1	JadhavarSnehaFulchand	MarudkarKajolLiladhar
2	Patil Aishwarya Rajesh	MukhopadhyayPronoyPradip
3		Sarda Ashish Sunilkumar

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Winter 2016 Batch**

Sr. No	Name of the Student	
	Slow Learner	**Advance Learner**
1	Deshmukh Mahesh	VarierAshwathy
2	YadhavNilesh	

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Summer 2017 Batch**

Sr. No	Name of the Student	
	Slow Learner	Advance Learner
1	Deshmukg Mahesh	Jain Bhumika
2	InamdarArshiya	MholeMayur
3	JogdaleShyam	
4	Joshi Suyash	
5	MundeAkshay	
6	Pathan Karishma	
7	Swami Shailesh	

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Winter 2017 Batch**

Sr. No	Name of the Student	
	Slow Learner	Advance Learner
1	AbdulwarAnkita S.	Goswami Rohini B.
2	Bansode Indira S.	Tamboli Aqsa
3	CharakpalleAnuradha V.	ThakarePriya
4	NagargojeYashashree	
5	Surwase Monika	

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Summer 2018 Batch**

Sr. No	Name Of The Student	
	Slow Learner	**Advance Learner**
1	BapureNitish	WarjurkarTeenu A.
2	MungdeShruti A.	WathAshwini G.

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Winter 2018 Batch**

Sr. No	Name Of The Student	
	Slow Learner	**Advance Learner**
1	KendreTanujaSheriram	Bhatt DhavaniRaiv
2	PathanShaziaZahed	
3	Pawar Nehal Sham	
4	TagyalakarprernaPandharinath	
5	Kulkarni Pooja	

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Summer 2019 Batch**

Sr. No	Name of the Student	
	Slow Learner	**Advance Learner**
1	AmberkhaneVaishnaviS .	BhutadaPayal B.
2	Mane Monika G.	KabraSakshi P.
3		Patel Dhurti N.
4		Tambe Shruti C.

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Winter 2019 Batch**

Sr. No	Name of the Student	
	Slow Learner	Advance Learner
1	BilpeBhagyashri S.	Munde Priya B
2	DandimeTejaswini N.	
3	GujrathiHarshani C.	
4	GuravSneha D.	
5	Kale Amruta A.	
6	Mali Saurabh S.	
7	MuchewadAaditi	
8	Patil Aishwarya B.	

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Summer 2020 Batch**

Sr. No	Name of the Student	
	Slow Learner	Advance Learner
1	BilpeBhagyashri	ChateShweta
2		HudeAishwarya

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Winter 2020 Batch**

Sr. No	Name of the Student	
	Slow Learner	Advance Learner
1	Borkar Nilesh	Chavan Shweta
2	BhaleraoAishwarya	Kolamkar Nikita
3	Patwari Gajanan	LanjeMayur

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Summer 2021 Batch**

Sr. No	Name Of The Student	
	Slow Learner	**Advance Learner**
1	MundheRadhika	ShankurwarNavinkumar
2		TadwalkarShivani

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Winter 2021 Batch**

Sr. No	Name Of The Student	
	Slow Learner	**Advance Learner**
1	ThaombreSupriya	Swami Shreya Ajay
2	Gore Mrinalini	BalshetwarNisha
3	Hake Snehal	

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Summer 2022 Batch**

Sr. No	Name Of The Student	
	Slow Learner	**Advance Learner**
1	BatuleSarita	Malu Aparna
2	PatilSayali	UjankarTejaswini
3	Pawar Samiksha	

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Winter 2022 Batch**

Sr. No	Name Of The Student	
	Slow Learner	**Advance Learner**
1	JadhavPratiksha	DeekshitAishwarya
2	KambleShruti	UjankarTejaswini
3	KelaskarNishigandha	Lad Sonali
4	PardesiYogita	
5	RanvirVidya	

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors
- Betterment Exam Conducted For the Slow Learners

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Summer 2023 Batch**

Sr. No	Name Of The Student	
	Slow Learner	**Advance Learner**
1	BalaiKunal Sanjay	AoteSakshiRavindra
2	Rajput Ashutosh Sanjay	BhavreSneha
3	BendleSonali	BhingoleAnkita

Action taken –
- We ask students to attend the classes according to time table
- Viva Preparation and discussion are arranged for repeaters during practical classes.
- Add clinical significance
- Peer mentors
- Betterment Exam Conducted For the Slow Learners

Outcome –
- Majority student took this opportunity to improve knowledge passed the University exam.

❖ **Winter - 2023 Batch**

Sr. No	Name Of The Student	
	Slow Learner	**Advance Learner**
1	Agrawal Chetna	MankariShweta
2	BiradarHrushikesh	ChedeAarti
3	GaikwadSnehalata	ShetkarRudrani
4	JagtapVaishnavi
