To,
The Principal,
MIDSR Dental College,
Latur.

**Sub.: Regarding Permission for Conducting Value Added Course on
AETCOM-2023-24.**

Respected Sir,

We are writing to seek your kind permission to conduct a value-added course on the *AETCOM* Programme (Attitude, Ethics, and Communication) for the academic year 2023-24 at our institution. This program aims to enhance the professional and ethical competencies of our students while fostering effective communication and positive attitudes essential for their careers in healthcare.

We believe this course will significantly contribute to the holistic development of our students and align with the institution's vision of academic and professional excellence.

We kindly request your approval to proceed with the organization of this course. Please let us know if there are any formalities or additional requirements we need to fulfil.

Thank you for considering this request. we look forward to your approval and any suggestions you may have.

:-Date-22-08-2023 & 30/08/2023.

:-Venue- Orthotech Lecture Hall.

Yours sincerely,

Chairmen
Academic Committee

Community and Societal Responsibilities

Reflection and Self-Awareness

1. Attitude and Professionalism

- **Developing a Caring Attitude:**
 - Exhibit empathy, compassion, and respect toward patients, families, and colleagues.
 - Demonstrate sensitivity to the diverse cultural, social, and personal values of patients.
 - **Commitment to Lifelong Learning:**
 - Reflect on personal attitudes and biases to enhance professionalism.
 - Embrace feedback for self-improvement.
 - **Teamwork and Collaboration:**
 - Work effectively in multidisciplinary teams to provide holistic care.
 - Respect the roles of other healthcare professionals.
-

2. Ethics in Healthcare

- **Ethical Principles and Decision-Making:**
 - Apply fundamental ethical principles like autonomy, beneficence, non-maleficence, and justice in clinical practice.
 - Identify and analyze ethical dilemmas in medical practice.
 - **Patient Confidentiality and Consent:**
 - Uphold confidentiality of patient information in all contexts.
 - Obtain informed consent by clearly explaining medical procedures, risks, and alternatives.
 - **Professional Integrity:**
 - Demonstrate accountability and honesty in clinical practice and documentation.
 - Address ethical challenges like resource allocation and conflicts of interest.
-

3. Communication Skills

- **Doctor-Patient Communication:**
 - Build rapport and establish trust with patients and their families.
 - Use clear, empathetic, and culturally appropriate language to convey medical information.
- **Listening and Counselling:**
 - Practice active listening to understand patient concerns, needs, and preferences.
 - Counsel patients and families effectively, particularly during difficult conversations such as delivering bad news.
- **Breaking Barriers in Communication:**
 - Address challenges like language differences, illiteracy, or emotional distress in communication.

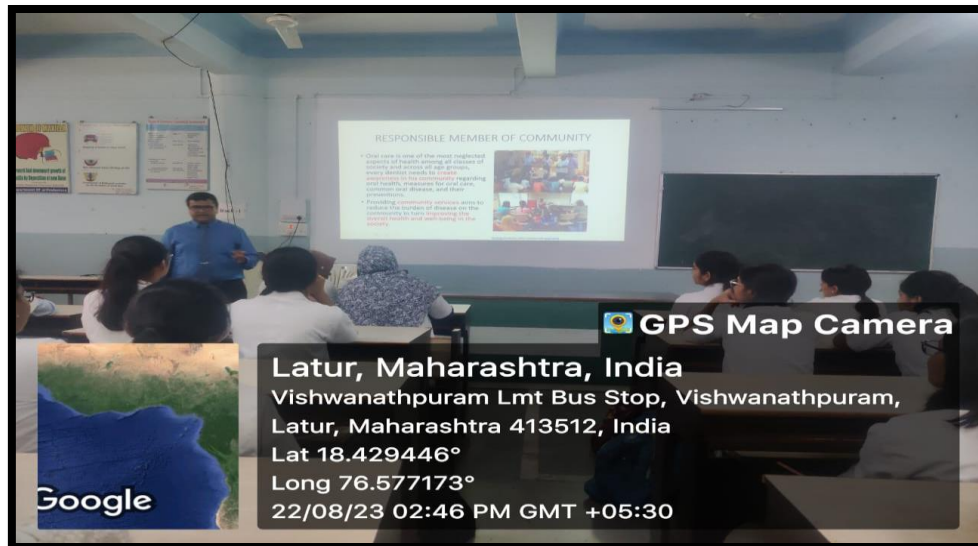

4. Community and Societal Responsibilities

- Recognize the social determinants of health and their impact on patient outcomes.
- Advocate for patients' rights and access to healthcare.
- Address public health issues with an ethical and communicative approach.

5. Reflection and Self-Awareness

- Regularly reflect on personal experiences to identify strengths and areas for improvement.
- Demonstrate resilience and manage stress effectively in challenging medical situations.
- Recognize and address personal biases that may influence clinical judgment.

These objectives align with the overarching goals of the AETCOM curriculum: fostering professionalism, ethical competence, and communication skills essential for holistic patient care.
