## LIST OF COURSES WITH DESCRIPTION

BDS course curriculum is designed in such a way that it enriches student ethically, socially, and professionally. Notification from the DCI gazette ensures that the BDS & MDS course is designed incorporating cross cutting issues. To enrich the student with various humanitarian and community-based issues MIDSR Dental College organizes various social and spiritual programs by involving students.

According to dental council of India notification 2017 the objectives to be achieved by the candidate on completion of the **MDS** course are classified as

- (a) Knowledge (Cognitive domain)
- (b) Skills (Psycho motor domain)
- (c) Human values, ethical practice and communication abilities

**Human values, ethical practice and communication abilities in MDS Course curriculum includes**

- (i) adopt ethical principles in all aspects of practice;
- (ii) Foster professional honesty and integrity;
- (iii) Deliver patient care irrespective of social status, caste, creed, or religion of the patient;
- (iv) Develop communication skills, to explain various options available and obtain a true informed consent from the patient;
- (v) Provide leadership and get the best out of his team in a congenial working atmosphere;
- (vi) Apply high moral and ethical standards while carrying out human or animal research;
- (vii) Be humble and accept the limitations in his knowledge and skill and to ask for help from colleagues when needed;
- (viii) Respect patient's rights and privileges including patient's right to information and right to seek a second opinion.

Based on these guidelines institute ensures to conduct extramural activities through departments and committees we have 4 value added courses which sensitize students about gender equality, importance

of environment and our duty towards it, social and financial responsibility, and professional attitude, and communication skills. These courses are held once in year and for 1<sup>st</sup> year UG to interns and Pgs. Institute arranges various social spiritual programs according to occasion

**AETCOM** is being introduced for 1<sup>st</sup> BDS students which touches subjects like behavioral sciences, communication, attitude which is useful to develop communication skills, and professional ethics. Public Health Dentistry & Preventive Dentistry is being useful to develop the concept of service towards Commitment.
