World Oral Health Day

World Oral Health Day is observed on **March 20** every year. The FDI World Dental Federation launched a year-long campaign dedicated to raising awareness and addressing issues around oral health and the importance of oral hygiene. The day holds significance to reflect the importance of oral hygiene and care. A healthy adult should have 32 healthy teeth. We the dept. of public health Dentistry conducted a screening camp at Primary health center Omarga . People also educated about oral health and its importance .

On the occasion of World Oral Health Day we conducted lecture about importance of oral health

World Health Day Celebration, 2024

Health For All

On April 7, 2024, World Health Day was celebrated in Koregaon Village.

On this occasion, this year is an opportunity to look back at public health successes that have improved quality of life during the last seven decades. It is also an opportunity to motivate action to tackle the health challenges of today and tomorrow.

To celebrate **World Health Day**, we organized Rally rally at Korgaon Vilege. The students and staff gave a talk on health.

organized Rally rally at Korgaon Vilege.

National Public Health Dentistry Day

Public health dentistry is a specialty of dentistry that deals with the prevention of oral disease and promotion of oral health. It is involved in the assessment of key dental health needs and coming up with solutions to improve the dental health of populations rather than individuals.

On occasion of National PHD Day 19th June 2021 the Department of Public Health Dentistry organized **quiz Competition ,crosswords find the words, identify personality competition** , in which interns, final years & third years participated for the same. Before felicitation Dr.Ashwini Mam gave talk on PHD Day. All winners & participating students were felicitated at the end
