Program Report

Grant for Research and Innovations

In the year 2023, the Welfare and Grievance Redressal Committee at MIDSR Dental College played a pivotal role in fostering research and innovation among faculty and students. The committee successfully facilitated grants that benefitted a total of 12 individuals through various avenues such as research publications, paper presentations, and copyright acquisition.

Faculty and Student Benefits:

1. Research Publications: The grant supported faculty members and students in publishing high-quality research papers in reputable journals, contributing to the academic advancement of MIDSR Dental College.

2. Paper Presentations: A significant number of faculty and students were able to showcase their research findings at conferences and seminars, enhancing the college's reputation in the academic community.

3. Copyright Acquisition: The committee provided funding for copyright acquisition, allowing researchers to protect their intellectual property and ensuring proper recognition for their innovative work.

Impact:

The grants disbursed by the **Welfare and Grievance Redressal Committee** had a profound impact on the academic and research landscape at MIDSR Dental College. The initiatives supported by the grants not only enhanced the professional development of faculty members but also provided students with valuable opportunities to engage in cutting-edge research.

The commitment of the **Welfare and Grievance Redressal Committee** to promoting research and innovation at MIDSR Dental College in 2023 has resulted in tangible benefits for both faculty and students. The grants allocated for research publications, paper presentations, and copyright acquisition have contributed to the overall growth and recognition of the college within the academic community.
