Continuing Dental Education Program 2023

“The Gray and White side of CBCT”

The discovery of x rays in 1895 by Sir Wilhelm Conrad Roentgen was an incredible era and since then diagnostic imaging has been refined to various advanced imaging technologies.

Arai et al in Japan and Mozzo et al in Italy working independently introduced CBCT for oral and maxillofacial applications and offered 3D exploration and more accurate imaging. The introduction of CBCT has changed the way dentistry is practised. CBCT was embraced in dental settings very rapidly due to its compact size, low cost, decreased radiation dosage when compared to CT scanning.

Introduction: Department of Oral Medicine and Radiology conducted a CDE Program titled “The gray and white side of CBCT” BY Dr Kamala K.A. on 17th November 2023 at Maharashtra Institute of Dental Sciences and Research (Dental College), Latur.

DISADVANTAGES/ LIMITATIONS

1. High radiation dose compared to 2D imaging
2. **Poor soft tissue contrast** than medical CT/MRI
3. **Limited bone density measurements : radio density measured in HU is inaccurate in CBCT**
4. Difficult to interpret gray values on CBCT
5. **Scatter (Image noise) :** scatter during image acquisition is higher than medical CT

CONTRA-INDI

- **CAUTION:** consider any displaced pathology (outside this of the jaw)
- Take positive results of bone scan
- Radio-sensitivity to dental radiography
- Pregnancy
- CBCT is **Not a Screening Test** diagnostic routine. Do not

REPORT OF

MOCK Inspection

Event Title: Mock Inspection on Document Preparation and Facilities for NAAC Inspection

Conducted by: Dr. Shubhangi Maske

Organized for: IQAC, MIDSR Dental College

Date: 06 November 2023

Venue: MIDSR Dental College Campus

Objective of the Programme

The Mock Inspection was conducted to assess the preparedness of MIDSR Dental College for the upcoming NAAC (National Assessment and Accreditation Council) inspection. The primary focus was on:

- Evaluating the documentation related to institutional activities.
- Reviewing the adequacy and readiness of facilities as per NAAC standards.
- Providing constructive feedback to enhance compliance with NAAC requirements.

Programme Highlights

1. Inauguration: The event began with a brief introduction by the Principal of MIDSR Dental College, welcoming Dr. Shubhangi Maske and outlining the agenda of the day.

2. Document Review: Dr. Shubhangi Maske meticulously examined the following:

- Criteria-wise documentation prepared for NAAC inspection.
- Evidence of institutional activities such as academic and administrative audits, research initiatives, student development programs, and community outreach.
- Compliance with NAAC guidelines regarding quality parameters.

Principal
M. I. D. S. R. Dental College

3. Facilities Inspection: A campus tour was conducted to assess:

- Infrastructure, including classrooms, laboratories, and library facilities.
- ICT-enabled teaching tools.
- Availability and maintenance of dental equipment.
- Cleanliness and organization of clinical areas.
- Student and staff amenities, including hostels and recreational spaces.

4. Interaction Sessions: Dr. Shubhangi Maske engaged with:

- Faculty members to discuss the integration of quality initiatives in teaching-learning processes.
- Administrative staff to review their role in maintaining documentation and facilities.
- Students to understand their perspective on institutional support and infrastructure.

5. Feedback Session: A detailed feedback session was conducted where Dr. Maske highlighted:

- Strengths: Well-maintained clinical areas, adequate library resources, and active student participation in institutional activities.
- Areas of Improvement:
 - Enhanced digitization of records.
 - Improved signage and accessibility within the campus.
 - Strengthening of evidence for specific NAAC criteria, such as environmental sustainability initiatives.

Outcome of the Programme

The Mock Inspection provided actionable insights to:

- Enhance the quality and completeness of documentation.
- Address infrastructural gaps in line with NAAC benchmarks.
- Improve the overall preparedness of MIDS R Dental College for the NAAC inspection.

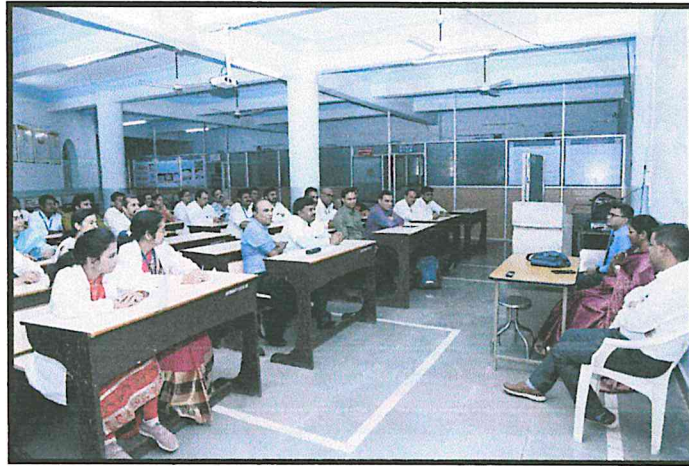

Conclusion

The programme was instrumental in identifying key areas requiring attention and boosting the confidence of the institution in facing the NAAC inspection. The guidance provided by Dr. Shubhangi Maske was invaluable in aligning the institution's efforts with accreditation standards.

Acknowledgment: The management of MIDS R Dental College extends heartfelt gratitude to Dr. Shubhangi Maske for his comprehensive evaluation and constructive feedback.

Organizing Committee: Welfare And Grievance Redressal Committee

Dr. Ajit jankar- chairman of the committee

Dr. Shital Wagh: Convenor of the Committee

Dr. Vidya Vaybase: Students Incharge of the Committee

The event, organized by the Welfare and Grievance Redressal Committee, aimed to enhance the communication skills and behavior management of the non-teaching staff. Dr. Shital Wagh and Dr. Vidya Vaybase under the guidance of Dr. Ajit jankar orchestrated a successful program that not only provided valuable insights but also included a refreshing break for the participants.

The participation of Dr. Dhananjay Gaikwad, a distinguished speaker in the field, added significant value to the program. The thoughtful sequence of activities, from the lamp lighting ceremony to the expression of gratitude, created a holistic experience for the attendees.

The ORTHOTECH LECTURE HALL at MIDSR DENTAL COLLEGE, LATUR, provided a conducive environment for learning and collaboration. The committee extends its appreciation to all participants for their active involvement and looks forward to organizing more such enriching events in the future.

SUB: Request for Permission to Conduct a Lecture on Communication Skills and Behavioral Management for Non-Teaching Staff

Respected sir,

I am writing to seek your gracious permission on behalf of the Welfare and Grievance Redressal Committee of MIDSR Dental College to organize a lecture for the non-teaching staff. The topic of the lecture will focus on "Communication Skills and Behavioral Management."

We believe that effective communication skills and behavioral management are essential aspects of a productive and harmonious work environment. As part of our ongoing efforts to enhance the professional development of our non-teaching staff, we aim to provide valuable insights and practical strategies that will contribute to their personal and professional growth.

Here are the details of the proposed lecture:

Topic: Communication Skills and Behavioral Management

Guest Speaker : Dr. Dhananjay Gaikwad Patil

Tentative Date & Time: 27 January 2024, 3:00 – 5:00 PM

Venue: Main lecture Hall

Expenses for the program: 10,000/- to 15,000/-

Refreshment: We plan to provide refreshments for all participants during the session.

Your approval for this initiative would be highly appreciated, and we are more than willing to adjust the schedule to accommodate any preferences or concerns you may have.

Thank you for considering our request. We look forward to your positive response and the opportunity to contribute to the ongoing growth and development of the college staff.

REPORT OF

Hand Hygiene Programme

Report on Hand Hygiene Programme

Date: 20th May 2024

Time: 11:00 AM

Venue: MIDSR Dental College, Latur

Facilitator: Dr. Deshpande

Introduction:

A hand hygiene awareness program was conducted at MIDSR Dental College, Latur, to educate and train the Class IV staff on the importance of maintaining proper hand hygiene practices. This initiative aimed to enhance infection control measures and promote a healthier working environment.

Objectives:

1. To highlight the significance of hand hygiene in preventing infections.
2. To demonstrate proper hand washing techniques as per WHO guidelines.
3. To encourage consistent hand hygiene practices among the Class IV staff.

Program Details:

- **Session Start:** Dr. Deshpande began the session with an engaging presentation on the basics of hand hygiene, focusing on its role in reducing the spread of germs and maintaining overall health.
- **Demonstration:** A live demonstration of the six-step hand washing technique was conducted, emphasizing the use of soap, water, and alcohol-based sanitizers.
- **Interactive Q&A:** Staff members actively participated by asking questions related to their daily routines and received practical advice tailored to their work environment.
- **Distribution of Materials:** Educational pamphlets and visual aids on hand hygiene were distributed to reinforce learning.

Outcomes:

The program successfully raised awareness about the critical role of hand hygiene in infection prevention. The Class IV staff expressed their commitment to incorporating the demonstrated practices into their daily routines.

Conclusion:

Dr. Deshpande concluded the session by reiterating the importance of hand hygiene and encouraged the staff to lead by example in maintaining a clean and safe workplace. The program was well-received, and feedback indicated a high level of satisfaction and understanding among the participants.
