## DEPARTMENT OF PERIODONTOLOGY

### ORAL HYGIENE DAY

Department of Periodontology organized **ORAL HYGIENE DAY** programme on 01/08/2024 for III, IV & Interns and Post-graduate students.

The auspicious day was celebrated with great enthusiasm at Department of Periodontology. The event aimed to raise awareness about the importance of maintaining good oral health and to educate the patients on effective oral hygiene practices. This session covered the correct brushing techniques, including the duration, frequency, and choice of toothbrushes and toothpaste.

Live demonstrations were held where attendees could practice brushing and flossing techniques using teeth models. Each participant received a complimentary toothbrush, toothpaste, and educational materials on maintaining oral health which was provided by Indian Society of Periodontology.

The Oral Hygiene Day celebration was a resounding success, effectively raising awareness about the importance of oral health and equipping participants with the knowledge and tools to improve their oral hygiene practices. The community engagement and positive response indicate that such events are valuable for promoting long-term oral health.
