TOPIC

Sinus augmentation, when performed with simultaneous or delayed implant placement, is a predictable procedure in augmenting deficient alveolar Maxillary posterior ridge. In order to place straight axial implants in posterior resorbed maxilla, sinus lift is needed. Sinus augmentation was performed with either the lateral window or crestal approaches. In this CDE programme we will discuss various Sinus Lift approaches and Pterygoid Implant placement along with live clinical cases.

Guest speaker:  
**Dr. Vipin Dehane**

- MDS Oral & Maxillofacial Surgery
- Head of Department, Fortis Hospital Limited, Mumbai
- PG-Pravara Institute of Medical Sciences in 2012 (OMFS)

## **CDE Programme Report**

### **Event Overview:**

The Department of Prosthodontics, Periodontology, and Oral Surgery at MIDSR Dental College, Latur, organized a Continuing Dental Education (CDE) programme titled “*Expanding Horizons in Advanced Implantology*” on April 22, 2025. The event took place at Orthotech Hall from 9:00 am to 5:00 pm and was led by Dr. Vipin Dehane, with participation from faculty and postgraduate students of the three departments. This CDE programme was officially approved by the Maharashtra State Dental Council (MSDC) and awarded six credit points, recognizing its academic value and compliance with continuing education standards.

### **Programme Objectives and Content:**

The primary aim of the CDE programme was to enhance participants’ understanding of contemporary advancements in implantology. The curriculum was designed to:

- Provide comprehensive knowledge of advanced implantology techniques.
- Familiarize attendees with the anatomy and physiology of the maxillary sinus and pterygoid region.
- Discuss sinus elevation techniques and the clinical application of pterygoid implants.

These topics align with global trends in dental continuing education, which emphasize hands-on, evidence-based learning and exposure to the latest surgical and prosthetic protocols in implant dentistry.

### **Participation and Organization**

The programme saw active participation from staff and postgraduate students of Prosthodontics, Periodontology, and Oral Surgery. The event was formally inaugurated by Dr. Amol Doiphode, who introduced the guest speaker and welcomed the attendees. Additionally, Dr. Vishnudas Bhandari felicitated Dr. Mukesh Ardale, the MSDC observer, recognizing his presence and contribution to the event.

After lunch, Dr. Vipin Dehane demonstrated live direct and indirect sinus elevation techniques, providing participants with practical, real-time insights into advanced implant procedures. The live surgeries were streamed on an LED screen in Orthotech Hall, allowing attendees to benefit from an immersive and interactive learning experience that reflects the growing use of technology and live demonstrations in modern dental education

As a token of appreciation, Dr. Vipin Dehane was presented with a certificate by Dr. Amol Doiphode, acknowledging his valuable contribution to the academic enrichment of the participants. To formally conclude the programme, Dr. Susheen Gajare delivered the vote of thanks, expressing gratitude to the guest speaker, organizing committee, faculty, and all attendees for their active participation and efforts towards the success of the event. The programme also included the distribution of certificates to the participants, recognizing their involvement and successful completion of the Continuing Dental Education (CDE) programme.

Subject: Invitation to Speak at One Day CDE Program on "Expanding Horizons in Advanced Implantology"

Dear Dr. Vipin Dehane,

On behalf of the Department of Prosthodontics, Periodontology, and Oral Surgery at MIDSR Dental College, it is my pleasure to invite you as a distinguished speaker for our upcoming Continuing Dental Education (CDE) program titled "Expanding Horizons in Implant Dentistry" scheduled for 22nd April 2025.

This event is being organized in collaboration with Osstem Implants and aims to provide valuable insights and advancements in implant dentistry to our faculty and students. Given your extensive expertise and notable contributions in the field of Implantology and Oral Surgery, we believe your participation will greatly enrich the program.

Kindly let us know your availability and any requirements you may have.

Looking forward to your positive response.

Warm regards,

Subject: Request for Grant of 6 Credit Points for Lecture and Live Pterygoid Implant Surgery & Direct Sinus Lift MIDSAR-PG Workshop on Expanding Horizons in Advanced Implantology on 22nd April 2025

Respected Sir/Madam,

The Department of Oral Surgery, Periodontology, and Prosthodontics at Maharashtra Institute of Dental Sciences and Research (MIDSAR), Latur, is pleased to announce the organization of a postgraduate workshop titled Expanding Horizons in Advanced Implantology under the aegis of MUHS, Nasik.

This full-day workshop is scheduled for 22<sup>nd</sup> April 2025 and will feature one of the eminent speaker from Osstem Implants. The program is designed to provide in-depth training and practical insights into advanced implantology techniques, including live demonstrations of Pterygoid implant surgery and direct sinus lift procedures.

In light of the academic value and practical relevance of this workshop, we kindly request the Maharashtra State Dental Council to grant 6 credit points for the event. The details of the speaker and the workshop brochure are attached herewith for your kind reference.

The registration fee for delegates is ₹400.

We look forward to your positive response at the earliest.

Thanking you in anticipation.

Yours sincerely,

Dr. Suresh Kangane  
Principal  
MIDSAR Dental College, Latur
