CERTIFICATE OF APPRECIATION

CERTIFICATE OF PARTICIPATION

OUTCOMES:

The program successfully achieved its objectives, with notable outcomes including:

- **Enhanced Faculty Competence:** Educators reported increased confidence in creating and delivering e-content.
- **Improved Student Engagement:** Implementation of interactive digital tools led to higher levels of student participation and interest.
- **Curriculum Modernization:** Postgraduate programs were updated to integrate digital engagement tools, ensuring relevance in contemporary education.

CONCLUSION

The E-Content Development Program has significantly contributed to the advancement of digital engagement in education. By empowering educators with the skills to create and implement interactive e-content, the program has enhanced the teaching and learning experience, paving the way for a more dynamic and inclusive educational environment. Total 32 participants from various departments of the institute were participated in this E-Content Development Program.
