## METHODS OF TEACHING LEARNING AND EVALUATION FOR POSTGRADUATES

## MDS EXAMINATION

It is essential to monitor the learning progress to each candidate through continuous appraisal and regular assessment. Evaluation of post graduate students is done by formative assessment examination conducted by college and summative examination by university.

### MDS I

Theory -

- Written examination every 6 months

*S. S. S. S.*  
**Principal**  
J. P. S. Dental College

## Dept. of Periodontology and Implantology

---

- Term examination: October – 1st term, March – 2nd term
- Two papers: paper I – Basic Science, paper II – Basics in Periodontology.

Preliminary examination in month of March

Practical:-

- Two term exams in October and April
- Hand scaling and Case History

### MDS II

Theory:-

- Every 6 months
- Term examination: October – 1st term, April – 2nd term

• Practical:-

- Term Examination
- Case History and sextant flap surgery

### MDS III

Theory:-

- Written examination every 4 months.
- Preliminary examination in month of March
- Four papers: paper I, II, III, IV

Practical:-

- Flap surgery of a sextant
- Short and long case history with case history discussion
- Post surgical viva
- Grand viva
- Main dissertation presentation
- Pedagogy

An examination (Prelim) schedule will be prepared by academic committee of college for theory exam.

- Internal assessment (prelim) theory will be conducted by college for I MDS post graduates.

**Principal**  
M.D.S.R. Dental College  
LATHUR

## Dept. of Periodontology and Implantology

---

- Internal assessment theory will be conducted for III MDS postgraduates which includes written test and mock practical examination at departmental level.
- Rest of the Formative assessment examinations for all Postgraduates will be conducted at departmental level.
- Progress report of all postgraduate students will be submitted to university at every 6 months.
