## **6th CDE Program Report**

The 6th Continuing Dental Education (CDE) Program was successfully organized by the Department of Orthodontics, in collaboration with the Department of Oral and Maxillofacial Surgery, on 21st January 2026 at the Orthotech Lecture Hall, MIDSR Dental College, Latur.

The program began in the morning with the formal inauguration of the CDE program was held. The event commenced with a Vishwashanti prayer, followed by lamp lighting at the auspicious hands of the guest speaker Dr. Rajesh Jambure, along with Dr. Suresh Kangane (Principal, MIDSR Dental College), Dr. Pravinkumar Maroore (HOD, Department of Orthodontics), Dr. Sheeraz Badal (HOD, Department of Oral Surgery), Dr. Amol Doiphode, Dr. Govind Changule, and other respected faculty members. The highlight of the program was the guest lecture by Dr. Rajesh Jambure, a renowned Oral & Maxillofacial Surgeon and Implantologist, on the topic "Orthognathic Surgery – Aligning Jaws, Transforming Lives." The lecture was highly informative and enlightening, focusing on diagnosis, treatment planning, surgical techniques, and interdisciplinary collaboration between orthodontics and oral surgery. The session was well received by students and faculty alike and included interactive discussions that enriched the learning experience. Lecture session followed by a live orthognathic surgical procedure conducted in the Operation Theatre. A Le Fort I Maxillary Advancement Osteotomy was performed, and a live demonstration was arranged exclusively for postgraduate students, providing valuable hands-on clinical exposure and in-depth understanding of orthognathic surgical principles. At the conclusion of the lecture, a Certificate of Appreciation was presented to Dr. Rajesh Jambure by Dr. Suresh Kangane as a token of gratitude for his valuable contribution. Certificates of Participation were distributed to all attending students and faculty members.

The program concluded with a Vote of Thanks delivered by Dr. Riya Gala, who expressed sincere appreciation to the guest speaker, dignitaries, organizers, faculty members, students, and all those involved in making the event a grand success. The 6th CDE Program proved to be academically enriching and clinically insightful, reinforcing the importance of interdisciplinary approaches in the management of dentofacial deformities.

CERTIFICATE OF PARTICIPATION

### **Outcomes of the Program**

1. Participants gained in-depth knowledge of orthognathic surgery, including diagnosis, treatment planning, and surgical techniques.
2. Postgraduate students benefited from live surgical demonstration of Le Fort I Maxillary Advancement Osteotomy, enhancing clinical skills and confidence.
3. The program fostered interdisciplinary collaboration between the Departments of Orthodontics and Oral & Maxillofacial Surgery.
4. Faculty and students were updated on current concepts, techniques, and outcomes in orthognathic surgery.
5. The event promoted continuing dental education and encouraged evidence-based clinical practice.

### **Conclusion**

The 6th CDE Program was a highly successful and academically enriching event with total 40 participants. The combination of a live surgical demonstration and expert lecture provided valuable clinical and theoretical knowledge to students and faculty. The program strengthened interdisciplinary learning, enhanced practical skills, and reinforced the importance of evidence-based approaches in managing dentofacial deformities. Overall, it was a rewarding learning experience for all participants and contributed significantly to professional development.

**Subject:** Application for permission to conduct 6th CDE Program.

Respected Sir,

With due respect, we would like to seek your kind permission to conduct the **6th Continuing Dental Education (CDE) Program** organized by the Department of Orthodontics, in collaboration with the Department of Oral & Maxillofacial Surgery, MIDS R Dental College, Latur.

The proposed CDE program is scheduled to be held on **21st January 2026** at the **Orthotech Lecture Hall, MIDS R Dental College, Latur**. The program will include a live orthognathic surgical procedure (Le Fort I Maxillary Advancement Osteotomy) for postgraduate students, followed by the inauguration and a guest lecture on "Orthognathic Surgery – Aligning Jaws, Transforming Lives."

We are honored to have **Dr. Rajesh Jambure**, Oral & Maxillofacial Surgeon and Implantologist, as the guest speaker for the program. We kindly request you to grant permission to conduct the above-mentioned CDE program. We assure you that the program will be conducted smoothly and in accordance with institutional guidelines.

We shall be highly grateful to you for your kind approval.

Thanking you.

Yours sincerely,
